HISTORICAL COLLECTIBLES AND MILITARY ANTIQUES PER YEAR

We are pleased to announce to the collecting community the launch of a new US based auction house in the greater Washington DC area operated by Andreas Thies, Thomas Johnson and Michael Everett.

Although this new company is completely independent from Auktionshaus Andreas Thies Germany (which will continue it's widely recognized prestigious high end sales of Orders, Medals and Militaria in Germany), this new US – based auction house will cooperate closely with both Auktionshaus Andreas Thies and Johnson Reference Books & Militaria.

This transatlantic alliance will provide a whole new range of services and possibilities to both buyers and consignors.

The combined expertise and integrity of Andreas Thies with his 30 years of experience in the auction business and his unprecedented knowledge on Orders and Medals, LTC (ret.) Thomas Johnson, who has been one of the world's leading authorities on WW II German Daggers for he past 50 years and author of some of the definitive reference books on the subject; and COL.(ret.) Michael

Everett as a renowned expert in WW II German Medals and Militaria, will guarantee to collectors what we have chosen to be he motto of our business:

QUALITY – AUTHENTICITY – EXCELLENCE

We will be happy to accept consignments should you wish to have some quality single items or collections to be included in one of our sales which will be scheduled to be held twice a year in spring and autumn.

Our experts will be attending most major shows and will be happy to meet you there or make an appointment to view your items.
